STAR OF THE SEA ATHLETIC CLUB MEMBERSHIP NOTES 2019

(Only return page 1 of document to the club registrar or a club coach)

Payment Schedule: As a result of a motion passed at our AGM there will be no hall fees collected each night at juvenile training instead those fees are now built into our annual membership fees. The juvenile training fee for the year will be €60 half of which falls due at the last week of January with the remaining €30 paid at the beginning of Sept. The new juvenile training fee represents a saving of €30 over the full year of 36 training sessions compared to the old training fee structure as well as saving the club the workload of collecting and banking coin from each of our training sessions.
