

Star of the Sea AC

Star of the Sea AC held their 30th Annual Cross Country Meeting on September 23rd 2018 as usual on the lands of Brendan and Mary Meade at Greenanstown, Stamullen. The course as usual provided a great test of cross country running. The club would like to thank all the helpers and club members who beforehand set up the course and on the day work so hard to make the event the success that it is. Thanks is due to all at the tea tent who quenched our thirst on a beautiful day by making at least five hundred mugs of tea along with countless sandwiches, buns, scones. Thanks is also due to the scorekeepers, recorders and officials who help make the programme run so smoothly and lastly the club would like to thank all our visiting athletes and their supporters who help to make the day so memorable. A new record attendance was set over with 500 athletes from U9's to masters O/55 taking part. When families and friends were included over 800 people made their way through the field gates at Greenanstown. Athletes from clubs as far apart as Ferrybank AC in Waterford city to Glaslough in Co. Monaghan made the trip to the hills of East Meath for the first cross country race of the year. The Star of the Sea Shield for the best juvenile club went to Ratoath AC for the first time in the many years that they have supported our event.
